Note: It is not the intent of the Music Department to persuade students' views with opposing beliefs or ideals that the text may present. Rather, it is our goal to familiarize students with quality musical literature that will provide historical and global perspective, and create a positive awareness of musical aesthetics.

## Many, Many Thanks.

We are lucky to have such strong support from our administration: Dr. Thomas Johnson, Robert Fitzsimmons, Lakimberly Jefferson, John Kaminski, Emily Pelz, Chuck Seils, and Brad Witt. Thank you to our fellow colleagues, support staff, custodial staff, and the families of our students and greater community. Your support helps fuel the excellence for which Purple Knights strive.
