

Hello Parents,

May 29, 2020

This is our final week of Distance Learning. This journey has been exceptionally challenging and I'm sure you share the same hope that we will be able to return to our Converse Building in September.

Instead of a lesson this week, I thought it would be fun to offer a Google Meet to our students. I have invited the specialists and classroom teachers to join us. The Google Meet will allow your kids to have a chance to say goodbye to their teachers and maybe help give some much needed closure to this school year. I really hope that you will consider joining one of the offered Google Meet times.

I have set up three different time slots on three different days. 4K & 5K will be together, 1st & 2nd will be together and 3rd will have their own. If you have more than one child, and it's easier for them to join the meet together, that is fine.

How do I join a google meet? I will share out a Google Meets invite/link. Cut and paste the link in your browser and follow the steps given. All of the links are listed on the following page.

Lastly, I want you to know how much I enjoy teaching your children. I have missed their smiles, laughs and stories. I look forward to the day we are all together again.

Have wonderful summer,
Ms. Brass
