Brief History of Grinnell Hall

Prior to the 1930s, the home of Nellie Clark stood where Grinnell Hall is located today. Nellie lived her whole life at this location and she was an avid animal lover. She had a much-loved canary named Dickey and when he died in 1886 Nellie placed his remains in a tin marshmallow box and buried it in the walls of her home. When Nellie's former home was being demolished to build Grinnell Hall, workers came across the tin Dickey was in and they discovered a note inside the tin. It asked that whoever found the tin to replace it as found. To honor this request of Nellie Clark, the tin was buried in the walls of Grinnell Hall and it remains there today.

Grinnell Hall was built in 1936 with funds donated by Emma Grinnell to honor her husband William who was a veteran. She wanted a place where all patriotic organizations in the area could meet and socialize with family and friends. The veteran's groups approached the City of Beloit in 1975 to see if they had an interest to purchase Grinnell Hall. In 1977 Grinnell Hall Senior Center opened and continues to honor veterans with a Veteran's Day Ceremony.

In 2005 local artist Lynn Reynolds created a 10 foot by 6-foot mural that consists of five wars - WWI, Korean War, WWII, Vietnam War and Iraq War. There are many unique scenes that Lynn included that depicts specific times during the wars. Stop by and see the mural!
