# Class of 2023

## *Welcome!*

---

*Tonight, we are proud to honor the achievements of our Beloit Memorial Senior Class of 2023. This ceremony is dedicated to recognizing and honoring students' academic achievements at BMHS, but it is also an opportunity to celebrate thirteen years of hard work. The Purple Knights here tonight come from a variety of backgrounds and bring their own story. These achievements are nothing short of remarkable, and we are confident they are all equipped to pursue their dreams.*

*The successes we honor tonight would not be possible without the perpetual support of each one of you. For the Class of 2023, this journey is just beginning and tonight's hallmark occasion marks the conclusion of one chapter and the beginning of another. We are grateful you are able to be here to share in the celebration. Congratulations to our seniors and their families. While you are leaving us for a bright future, please know that you will always have a home at Beloit Memorial and are forever a Purple Knight.*
