

Hello students and families. The Beloit Yearbook staff has some important announcements for you. We need your help collecting photos for the yearbook. You can upload pictures on Yearbook Snap which is a free app to download OR visit yearbookforever.com and submit them to Community Uploads.

While you are also submitting photos, make sure you buy your 2020-2021 Yearbook! Right now, prices are \$55 for a non-engraved book or \$60 for an engraved book with your name.

Seniors! Please submit your senior picture as soon as possible. You can do this by visiting yearbookforever.com and going to Community Uploads. It needs to be a vertical shot in order to be accepted for the book.

Families and friends of seniors! It's never too early to start holiday shopping. Consider putting in a senior ad for your student. Students: this is a fun way to celebrate those special friendships you created over the years. Staff: give a shout out to those seniors who made your class memorable. These are special memories to cherish for all of you. Please visit yearbookforever.com and click on Create a Senior Ad.

If you are a business owner, please consider placing a business ad in the yearbook. Students can look back and remember their favorite places around town. Visit yearbookforever.com and click on Create a Business Ad.

When you visit the Walsworth website, the access code is Yearbook.
