

Parent Consent for Field Trip 2015-2016

Your child is invited to participate in a school-sponsored field trip. Participation in this field trip is voluntary, but you must give permission before your child may go. If you do not give permission, your child will remain at school for the regular day and continue academic work there unless, of course, the trip takes place during non-school time such as weekends and vacations.

Your child will be supervised by teachers and/or adult volunteers. It is possible that more risks may be faced by participating in this field trip than if your child stayed at school. We cannot enumerate every risk, but we believe that you are generally familiar with this activity and your child; therefore, you are in the best position to decide whether your child should participate. The School and principal have approved this field trip, but we cannot and do not guarantee that there will be no injuries or damages as a result of this field trip.

By signing this form, you agree that your child may participate in the field trip. By signing this form, you also agree to release the School District of Beloit (District), its School Administrators, elected officials, employees, and volunteer supervisors from any and all damages, as the result of death and/or injuries of any kind you and your child might suffer as a result of participating in this field trip, except for those that result from gross negligence or wanton and willful misconduct. This agreement to release does not apply to any independent contractor.

Your child may not attend field trips until the emergency medical/dental authorization form is completed and returned to the school. The District does not have student accident insurance coverage; you shall bear responsibility for any expenses that may be incurred with a medical emergency.

This is a legal document and you are free to obtain a lawyer's advice at your own expense before signing it. You may not, however, change the language of this form, and any additions or deletions you make to this permission and release are void.
