# LETTER FROM OUR SUPERINTENDENT

Welcome to Summer School. Over the past few months, we have worked hard to create a fun and engaging learning experience for elementary and intermediate school students that will lead to learning growth and reinforce key concepts and skills in math, reading, and writing.

Along with our high-quality curriculum, our free program includes a healthy breakfast and lunch, snacks, and lots of interactive activities with outdoor time and field trips. Research supports that a strong summer school program can positively affect student academic achievement and provide a jump-start for the start of the school year. With our small class sizes, supports aligned to student needs, and exceptional instruction, your child(ren) will have a summer of fun with successful growth and learning.

Please register online, or visit our enrollment office at the Kolak Education Center, 1500 Fourth Street, for in-person registration. I look forward to seeing your child(ren) this summer.

In service,

A handwritten signature in blue ink, reading "Willie E. Garrison II". To the right of the signature is a small rectangular stamp with the text "F200".

Dr. Willie E. Garrison II  
Superintendent  
School District of Beloit

# REGISTRATION

Students and families can register for Summer School using Skyward Family Access. Families can log-in to Skyward Family Access by accessing the homepage of our district website or any school website.

Registration is a one step process, with families selecting their student's classes. Register your student at the grade level they will enter during the fall of the 2023-2024 school year.

If you need assistance registering your student, you can visit our Central Enrollment office at the Kolak Education Center (1500 Fourth Street).

## TO REGISTER IN SKYWARD

1. Login to [Skyward Family Access](#)
2. Click on "Summer School Registration"
3. Select your child's name (this process will need to be completed for each child separately)
4. Follow the steps that take you through the registration. You will need to update family information and select the date and periods/paths for participation.

*Please note that your student will be placed on a waiting list if registration is full.*

# REGISTRATION

You must have a Skyward account in order to register for Summer school online.

Login and password account information is available by contacting your student's current school.

For specific transportation questions please reach out to Durham directly at (608) 362-2628.

# EXPECTATIONS

## ATTENDANCE

Attendance will be taken daily. For the best possible experience for our students, we ask for consistency in their attendance. We do understand that some level of flexibility is necessary during the summer. Students participating in credit recovery courses will need to have consistent attendance to meet credit/graduation requirements.

## BEHAVIOR

During Summer School, school behavior protocols apply as outlined in the Family Handbook. Students are subject to disciplinary action and removal from our Summer School program for inappropriate behavior.

## PROGRAMMING

The intention of our 4K-8 summer programming is to provide opportunities for students to grow in their academics and participate in enrichment activities.

Students in High School concentrate on credit recovery and support in academics.

***Courses will run based on staffing ability and final schedules may change due to staffing.***

# COMMUNITY COLLABORATIONS

There are opportunities at Merrill Community Center for after school care. Please reach out to Angelina Reyes at (608) 314-4825. Busing to the Merrill Community Center will be available for students.

There are opportunities at Boys & Girls Club for before and after school care. Please reach out to Amanda Luke at [aluke@statelinebgc.org](mailto:aluke@statelinebgc.org) or at (608) 365- 8874. Busing to the Boys and Girls Club will be available for students.

We will partner with Welty Environmental Center to have on -site, hands on learning experiences for our students during the WE-Path. We will also have field trips to their center.
