

STUDENT CODE OF CONDUCT AND DISCIPLINE

The behavior and code of conduct of students attending the public schools in the School District of Beloit shall reflect standards of good citizenship, high morality, self-discipline, responsibility for one's own actions, and respect toward others.

Positive discipline is a necessary element and provides all students with a healthy learning environment. The Board of Education, administration and faculty adhere to the philosophy that all students who have a desire to attend school will be given the opportunity. All students will be assisted in every way possible to achieve scholastic success.

A disciplinary code of conduct shall be established and included in this said Board policy (443/447). As with other Board policies, the code of conduct will be reviewed and/or updated annually. However, an infraction by a student can change the school climate and interfere with learning in the classroom, building and/or within the District. Students who decline to conduct themselves according to these rules will be subjected to administrative and legislative procedures under the operating policies of the Board. The Board upholds State mandated discrimination, harassment, bullying and AODA policies as well as strongly adhering to the code of conduct in reference to weapons, threats and aggressive behavior against students and staff. Furthermore, any infraction that appears to have gang overtones will receive more severe consequences up to and including a recommendation for expulsion or extended expulsion time.

Due process will be afforded all students as required by law.

The School District of Beloit shall not discriminate in standards and rules of behavior, including harassment, or disciplinary measures, including suspension and expulsion, on the basis of sex, race, national origin, color, ancestry, creed, pregnancy, religion, marital or parental status, sexual orientation or physical, mental, emotional or learning disability or handicap. VI. Discretionary Disciplinary Criteria – For those situations involving student misconduct in which there is not a requirement that the student be recommended for an administrative hearing, the Administrator will determine the appropriate disciplinary consequence, which may include a referral for administrative hearing. - H. The discipline imposed upon other students for the same violation(s).

VII. Voluntary Surrender of Dangerous Items: A student who possesses a weapon, knife or other cutting instrument, illegal drugs or controlled substance, or other inappropriate item or material, and voluntarily turns it in to a school staff member before threatening to use it, actually using it, or giving it to another student, and before being discovered in possession of it by a staff member, may or may not be subject to discipline for possession of the object.

VIII. Levels of Discretionary Disciplinary Options: There are four levels of discretionary discipline and each violation of the Code of Conduct has been assigned to a level:

Level 1 infractions are teacher managed with administrator support and are minor acts of misconduct that interfere with the orderly operation of the classroom, a school function, extra-curricular/co-curricular program or approved transportation. These infractions are typically handled in the classroom using options listed in V. A. 1.

Level 2 infractions are administrator managed with teacher involvement and are intermediate acts of misconduct that are more serious or disruptive examples of the offenses in Level 1. They include repeated misconduct acts from Level 1 and endangering the health or safety of others. These infractions are typically handled in the school or classroom using options listed in V. A. 1. *Disciplinary actions are subject to administrative discretion.*

Level 3 infractions are administrator managed with teacher notification and are major acts of misconduct. They include repeated misconduct acts from Level 2; serious disruption of school order, threats to the health, safety, and property of others, and other acts of serious misconduct. These infractions typically lead to out-of-school options like suspension, as listed in V. A. 2. *Disciplinary actions are subject to administrative discretion.*

Level 4 acts of misconduct are the most serious and require referral for an administrative hearing. Any Level 4 act is grounds for expulsion and will result in a mandatory 5 day out-of-school suspension. An Administrative Hearing shall be held with the hearing officer within 5 days of the referral.

In those situations where serious bodily injury or property damage has occurred, or the learning environment has been severely disrupted, the Administrator may elect to impose a disciplinary consequence more severe than that which is identified for the specific Code of Conduct violation(s).
