

Legal Action of Wisconsin helps clients find and keep safe and affordable housing.

Most of the clients we serve are low-income renters facing eviction or other challenges with their landlords, or are homeowners facing foreclosure or other challenges with housing authorities.

We work together with our clients, as well as partner with other organizations and programs, to address:

- **Eviction Defense**
Including our Eviction Defense Project locations at the Milwaukee and Dane County Courthouses
- **Subsidized Housing Issues**
- **Repairs**
- **Lockouts**
- **Security Deposits**
- **Earnest Money**
- **Housing Payments**
- **Property Taxes**
- **Mortgage Foreclosure**

Whether through brief legal advice, assistance with documents, or in-court representation, we help tenants and homeowners assert and protect their rights while holding property owners, housing authorities and courts accountable.

About Us

As the state's largest non-profit law firm providing free civil legal services, we are a driving force making meaningful change in thousands of lives by ensuring the civil legal system works for everyone.

Additional Services

Rarely do our clients face just a single problem. We also help clients remove barriers to employment, resolve consumer finance issues, maintain public benefits, address children and family law matters, and secure victim support and protection. Additionally, we provide legal services for specialized populations including veterans, seniors, farmworkers, and those near release or recently released from prison.
