

May 9, 2021

Good Afternoon School District of Beloit Families,

Happy Mother's Day! Take a moment to enjoy [this video](#) that highlights one of the most important jobs.

City of Beloit Proclamation

Last week I mentioned that the City of Beloit honored our teachers with a Proclamation at their City Council meeting. You can view the livestream from Monday evening by accessing this [link](#).

Summer School: Register Today!

We are happy to see so many families taking advantage of our Summer School program. Our **in-person, five-day-a-week** program will be fun, engaging, and a positive experience for our students. Dual Language Immersion is also available for Summer School. Check out the Summer School [webpage](#) for the most up-to-date information and connect with Skyward to register.

Grow Your Own Multicultural Teacher Scholarship Application is Open: Apply Today!

The Grow Your Own Multicultural Teacher Scholarship Program provides scholarships to minority students pursuing a career in education. Once their education is completed our hope is that they will return to Beloit and our School District to begin their career. The application process for this scholarship is open to all 2020 and 2021 graduates of Beloit Memorial and Beloit Learning Academy. For more information and to apply click [here](#). Applications are due Saturday, May 15.

Facebook Frame: Let's Honor Our Class of 2021

We have created a Facebook Frame to honor the class of 2021. To use this frame on your profile picture, please click [here](#).

Class of 2021 Graduation Website: Lots of Updates

For all the most up-to-date information regarding graduation, including a countdown, graduation cap decorating guidelines, and a graduation letter to families please click [here](#).

Tech Support at the Beloit Public Library

This Thursday, May 13, is the last week of our in-person tech support at the Beloit Public Library from 11 am to 4 pm. We will continue to offer tech support through your student's school and [online](#).

Community Outreach

The Beloit Learning Center located at 1000 Bluff Street reached out to us to share that they offer free tutoring services to students from Kindergarten through 12th grade. For more information, please reach out to this organization through email at wmclawyer@gmail.com or at (608) 363-1150.

Vaccine Clinic at Blackhawk Technical College

This clinic provides the Pfizer vaccine and accepts appointments and walk-up vaccinations Tuesday through Saturday from 11 am to 7 pm. This vaccine is approved for 16 and 17-year-olds. A parent/guardian must be present and will be required to sign a consent form. For more information and to read our District's Health Newsletter by Ms. Michelle Babilius, Director of School Health, click [here](#).

As we approach the end of term 4, now would be a good time to check in with your student on their progress. As always, your child's and teen's teacher is a resource to answer any questions you may have.

I will continue with my weekly family letters through Sunday, May 23. At the start of the 2021/2022 school year, I will provide a bi-monthly newsletter to keep you updated and informed on District-related information. I hope you have found these letters to be useful and informative. You can reference all past letters on my [webpage](#).

Enjoy the rest of your weekend. We look forward to seeing our students in person and concurrently next week.

Sincere regards,

Dr. Dan Keyser
Superintendent
School District of Beloit
