Good Afternoon School District of Beloit Families,

Happy Valentine's Day. I hope you are enjoying your weekend.

During my Superintendents' report at the Board of Education meeting last Tuesday, I shared the District's continued progress as we move toward Term 4. You can access the slide presentation [HERE](#). If you are interested in viewing the presentation, please visit our [YouTube Channel](#); I have initiated the link to begin at my presentation.

Board of Education Public Hearing

On Sunday, February 21, the Board of Education will host a Public Hearing from 2:00 pm to 4:00 pm at Kolak Education Center. You will be provided with three options to share your comments with the Board of Education regarding the return to in-person learning for Term 4.

Public Comments:

In-Person: Those who wish to speak in person must complete a public comment card upon arriving at the Kolak Education Center. Each speaker will have three minutes to speak. Speakers will be required to wear a face covering while speaking and while they are in the Kolak Education Center. If the Public Hearing is at room capacity, speakers will be asked to exit after speaking.

Email: Those who wish to email their public comment may do so by emailing public-comment@sdb.k12.wi.us, and your comment will be read publicly. Emailed public comments must be received by noon on Friday, February 19.

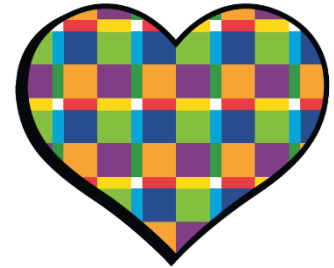

Phone-In: Those who wish to phone-in and provide a public comment should do so during the hours of 2:00 pm and 4:00 pm on Sunday, February 21. Please call this number: 617-675-4444 and you will be prompted to enter this pin number: 785 379 093 1144#. Please stay on the line until Michelle Shope admits you to the Public Hearing to share your comment.

Anyone attending the Public Hearing will be required to complete a COVID-19 screener that will be available through a QR Code and a paper form at the Kolak Education Center entrance. Face coverings will be required for anyone entering the building and must be worn for the duration of the meeting.

It is important to stay home if you are not feeling well. COVID-19 symptoms include cough, shortness of breath or difficulty breathing, new loss of taste and/or smell, or two of the following symptoms: fever and/or chills, fatigue, muscle or body aches, congestion or runny nose, sore throat, headache, nausea or vomiting, or diarrhea.
