Dear School District of Beloit Families,

At Tuesday night's (12/19) girls Junior Varsity basketball game vs. Westosha, incidents happened involving game officials and later with a spectator(s). Based on the alleged incidents at the Junior Varsity game, our coaches decided not to participate in the Varsity game.

I am collaborating with the Westosha Central High School to review all information and documentation of Wednesday night's events. Both districts take this matter seriously and will continue to work together.

Considering all students and staff, a decision to reschedule our boys and girls basketball games for this week was jointly made between Westosha Central School District, Wilmot School District, School District of Beloit, and the Southern Lakes Conference Commissioner. We have rescheduled our girls vs. Wilmot basketball home games from December 21 to January 30 and our boys vs. Westosha basketball away games from December 21 to February 20.

The safety of all student-athletes and staff is of the utmost importance to me. I ask for everyone's patience as we work through this process.

In service,

Dr. Willie E. Garrison II  
School District of Beloit  
Superintendent
