Academic Growth

As Reflected in the 2022-2023 State Report Card

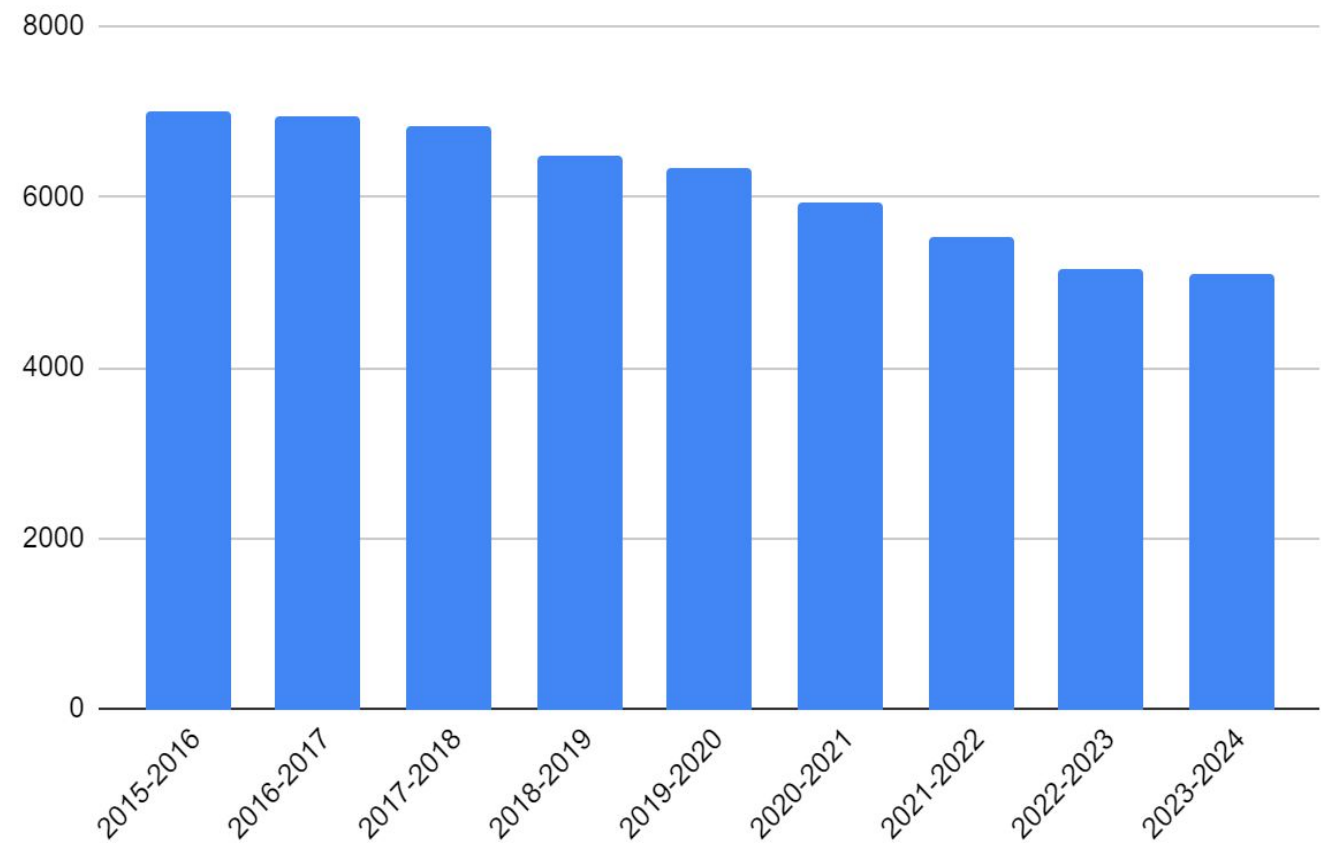

- Overall report card score increased for a second consecutive year.
- Four of six elementary schools (grade 3) increased English Language Arts (ELA) achievement.
- Three of four intermediate schools (grades 4-8) increased ELA achievement.
- Beloit Learning Academy “meeting expectations” based on high levels of growth/value-added.
- Beloit Memorial High School increased graduation rates to 90.4% (State is 91.7%).
- Beloit Memorial High School increased ELA and Math achievement.
- Beloit Memorial High School increased report card score to 55.2, less than three points away from meeting expectations - 58.0.

Enrollment
