

# Art Library Show

Week of April:

8th Gaston

15th Merrill

22nd Converse

29th Robinson

Week of May:

6th Todd

13th Hackett

We will set-up the art show at the Beloit Public Library in the children's section on the large bulletin board on the Monday of the week we choose. They want us to only use T push pins. There are some at the desk but I am not sure how many. Please be there as early as possible to take down the next Monday so the next person can set up. Let me know if you have any questions.

P.S. Take pictures for PPGs and SLOs. This is a great community/parent piece.

April 11th is the VPA--Visual and Performing Arts showcase at the high school from 5:30-7:00.
