

November Is National Homeless Month

Our Youth In Beloit Are Affected!

As the weather becomes more severe and turns bitterly cold our homeless children and youth are in need of important resources for a meal. Currently in Beloit, we have identified nearly 320 students who are considered homeless and just over 75 students who are considered unaccompanied teens, meaning they have no parent or guardian and are living on their own. What is considered homeless? Homelessness is defined by the federal government as anyone who lacks stable or consistent housing. Compounding this issue is the fact that nearly all hotel/motel space in the Beloit area is extremely limited and all shelters are currently at capacity.

Please consider donating \$5 or more from any or our local fast food restaurants or grocery stores. These efforts will help our students have a safe, warm place to do their homework and get a meal when school is out for the day.

Where Can I Donate?

Cards can be dropped off at or mailed to:

**Beloit Learning Academy
(formerly Wright School)
1033 Woodward Avenue
Beloit, WI, 53511**

**Attention: Robin Stuht
Homeless Liaison Coordinator
