BMHS Student Earns Silver in National French Language Contest

Myela Arroyo, a Freshman at Beloit Memorial High School, was nominated by Mr. Robert Price her French Language Teacher to participate in Le Grand Concours (The National French Contest) this past March. Myela, who says her plans are to live in France one day, was up to the challenge put forth by Mr. Price and was able to obtain Silver Medal status in the international competition.

According to the website frenchteachers.org, students take a written exam and compete against students with similar educational backgrounds.
