A Reminder Message from Kids Against Hunger

Good Afternoon Everyone!

Students have been working tirelessly raising money and awareness for the [November 2nd Kids Against Hunger Event](#). We are very close to our fundraising goal and are transitioning to the stage where we recruit and sign up volunteers for the big day.

There are MANY ways for you and your school to get involved. We need already have over 200 volunteers signed up, and will have 40 table lines of operation on the day of the event. Each table has ten workers that will work in an assembly line putting together the food packages. Each table needs a table leader and 9 other people. If you sign up as a leader that represents your school, club, sport, etc. then you are in charge of putting together your team and following up with them to make sure they come on the morning of November 2nd.

If you aren't able to get on a team, you can sign up as a floater or part of the set-up or the clean-up. Here is the sign up link <https://tinyurl.com/beloitvolunteer>

Students are very excited that this day is going to be a district and community event, and we hope to see many of you on [November 2!](#)
