

SPECIAL EDUCATION DOCUMENTATION IN SPANISH

Our district translator can translate the text entered in the following SEEDS forms. (See [Guidelines for requesting translating and interpreting services sent by ELL Program Manager, Rosamaria Laursen.](#))

If a specific SEEDS form is not listed below then the IEP manager can enter the necessary information in English on the Spanish version of the SEEDS form. Most of those forms only require information like names and contact information where translation into Spanish is not necessary.
