

February 2019

Dear 8th Grade Parents / Guardians:

Greetings from Beloit Memorial High School! The time is coming quickly that your son/daughter will be making the transition from intermediate school to high school. BMHS has excellent educational programs and opportunities as well as a dedicated faculty, staff and administration.

Everyone at BMHS wants to help ensure a smooth transition from intermediate school to high school for all students, and that starts with you and your son/daughter having complete information about BMHS and all it has to offer. Therefore, we will be hosting an **EXPO** on **Tuesday, March 5th from 5:00 – 6:30 pm.**

We invite you to explore the great opportunities that Beloit Memorial offers students:

- Come and visit all of our departments and educators while joining in on learning activities that demonstrate what our students are learning.
- Learn about our Academic Academies
- Gather information about Academic Career Plans for all students in Wisconsin.
- Find out about our comprehensive Advanced Placement Program and our College and Career Readiness courses.
- Check out our Athletics, Clubs and Activities.

I strongly encourage you to attend this very important and informative event. I look forward to seeing you on March 5th to welcome your son/daughter into the Purple Knight family. Thank you for your continued support of your son/daughter's education and the School District of Beloit.

Go Purple Knights!

Sincerely,

Orlando Ramos, Ed.D.
Principal, Beloit Memorial High School
