Dr. Martin Luther King was a great man. He also was great in many ways. He inspired many people to become what they wanted and what they deserved. Martin had many quotes. One of them was, " If I cannot do great things, I can do small things in a great way." That quote made people think about ways to do great things, little by little, to create laws against segregation. They did not have to have money, or give speeches, but they could talk to people about segregation and motivate them to help stop it!! Dr. Martin Luther King was a great role model. I could also help in small ways. I could help by donating clothes to people or give food for food drives. I can also help by cleaning up around parks or schools. Or maybe I could help my parents by cleaning up around the house. Dr. Martin Luther King inspired many people and continues to be a role model.
