**“If I cannot do great things, I can do small things in a great way.”  
Dr. Martin Luther King Jr.**

This quote means you can do it but might not do it in the same way they want you to.

This quote makes me feel great because he did the best he could for the world to be better. He did it right, he did it without violence. He made a speech for everybody to hear. And he didn't deserve what happened to him.

To honor Dr. Martin Luther King Jr.'s words I can volunteer at a bake sale. I can volunteer to donate money to kids that have cancer. I can help black and white people. It doesn't matter what race you are, I am honored to help like I said the first time doesn't matter what race I will help.
