

Important SDB Update to Families
May 17, 2020

Good Afternoon,

We have a few important updates we wanted to share with our families:

Grab and Go Meals:

Grab and Go meals will continue to be distributed at all elementary schools and at Beloit Memorial High School from 11 am to 1 pm Monday through Friday. There will be **no** Grab and Go Meal distribution on Memorial Day, Monday, May 25.

Wisconsin Department of Health Services and Additional Food Benefits:

Since schools are closed as a result of the COVID-19 pandemic, children who usually get free or reduced-price school meals through the National School Lunch Program can get additional temporary food benefits. These benefits are called Pandemic EBT or P-EBT. Children can get these benefits in addition to any other school meals they are receiving. Please see the attached flyers for more information and register today.

Pick-Up of Student Items in School Buildings:

The recent Wisconsin Supreme Court ruling to overturn Governor Tony Evers Safer at Home Order did not affect private and public K-12 schools as it relates to instruction and extracurricular activities, including sports. The School District of Beloit's school buildings will remain closed through June 30, 2020, as mandated in the Safer at Home Order.

We do have a plan in place to facilitate the pick-up of student items. We will be communicating that information over the next few weeks. We understand the importance of getting your child's/teen's items, we also understand the importance of keeping everyone safe and healthy.

Please reach out to your child's/teen's teacher or principal with specific questions or concerns.
