

March 27, 2020

Dear School District of Beloit Families,

Next week, March 30th - April 3rd, is officially Spring Break. There are no school work expectations during this time, but we are providing many learning opportunities, links, and programs for all grade levels on the [District Website](#). These are not required but they may be helpful to maintain a routine for your child(ren). We encourage you to read together, play games, and enjoy the outdoors during the break.

All 4K - 5th-grade students will receive instructional materials in the mail at the end of the week. If your 4K-5th-grade student does not receive a packet, please contact your child's school. These materials will not be graded. Teachers at all grade levels will be contacting students and families to provide instructional support once Spring Break is over.

**Meals will continue to be available during Spring Break**

At this time, the School District of Beloit plans to continue to distribute meals at the designated sites (see below). **Students do not need to be present.**
