## Conexiones de la Comunidad

This beautiful photo was taken by Destinee. If you get permission, go outside and take a photo or draw something you see that is green. Email or text a picture of your artwork to a worker from Rock County. Let's fill up a page with signs of Spring!

Estamos viviendo tiempos difíciles.  
Muchos cambios, dudas e incertidumbre.  
Estamos conscientes que será difícil estar conectados, **pero estamos juntos en esto y nos ayudaremos unos a otros.**

**This is a difficult time for everyone.  
Lots of changes and unknowns.  
It can be hard to connect when we  
have to be apart.**

**We are all in this together and  
we will help each other.**

**GoNoodle**  
is a fun way to get active when  
you are stuck in the house. Try  
**Flex** or **Run the Red Carpet**.  
Free and fun for everyone!

### Here are some of our favorites:

An active 4 year old loves to take a short break and watch the giraffes at the Houston Zoo. <https://kids.sandiegozoo.org/index.php/animals>

An adventurous 2<sup>nd</sup> grader likes the NASA Mars site because you can move around anywhere to explore the planet and, "It shows actual pictures of Mars!"  
<https://accessmars.withgoogle.com/>

A creative teenager loves the art museums, especially the Van Gogh Museum in Amsterdam because you can choose different rooms and spin around to see a 360° view. <https://artsandculture.google.com/partner/van-gogh-museum?hl=en>

**Which ones do you like the best?**

What gets wetter the more it dries? Lo que se moja mas se seca?

La toalla. A towel.
